

## Independent Living Program

## PROGRAM BULLETIN

February 2006

**WHAT IS A TILP?** A Transitional Independent Living Plan or TILP is a document required by the state that is to be completed by a foster youth and his or her county social worker or probation officer. According to California Department of Social Services regulations, the initial TILP is to be completed when a youth is between the ages of 15 ½ and 16. A new TILP is to be completed at least every six months until the youth's dependency is dismissed. The TILP becomes part of the case plan and steers plans for self-sufficiency preparation. **A valid TILP must be in place for a youth to be referred to ILP.**

ILP will be offering the "Putting Food on the Table" workshop to Chico youth on February 27th. This workshop address budgeting and grocery shopping. ILP youth that attend will receive incentive money and the skills to better budget their money! Talk to your ILP worker for more information.

ILP will be having "Girls Night Out" in Paradise on March 20<sup>th</sup>. If you are interested in attending and live in the Paradise/Magalia area contact your ILP worker.

Butte County ILP is one of the programs in Butte County to be approved by the state for Child Welfare Services Outcome Improvement Program funds. For the remainder of the fiscal year ILP will administer a Relative Search program designed to promote lifelong connections for emancipating foster youth. As of mid-January there were 23 cases open. Alyssum Root has begun contacting social workers to gather information. The program utilizes 4 internet search services in conjunction with information solicited from Butte County social workers, agency staff, known relatives and the youth themselves. If you have questions about this program, Alyssum can be reached at 893-2316 ext. 214 or Eric James at ext. 210.

The Butte County California Youth Connection chapter meets at the SERV Center in downtown Chico at 5:30 on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of each month. Teens in foster care and group homes in Butte County-**this is your organization**. You can be a part of an organization that can change your life as well as the lives of others. ILP youth who attend can earn incentives for attending. Call Adult Supporter, Mary Beth Flanagan at 321-6529 for chapter information. Visit CYC's website at [www.calyouthconn.org](http://www.calyouthconn.org).

ILP would like to remind youth interested in going to college to talk to their ILP workers. ILP can help youth fill out FAFSA forms and help look for other scholarship options. New FAFSA forms became available in January. Now is the time!

**REMINDER:** Youth who are in placement on their eighteenth birthdays are eligible for no share of cost MediCal (4M) until their twenty-first birthdays. Butte County dependents are enrolled in this program when they age out of foster care. Former foster youth placed in Butte from other counties can access this benefit through their Butte County ILP caseworkers.

Teens 16 and up who are in placement are entitled to ILP services\*. If you know of an unrefereed teen aged sixteen or up who lives in a foster home or a group home please contact ILP. ILP serves teens placed from other counties as well as Butte County teens. In order for ILP to serve youth from out of county, ILP requires a current Transitional Independent Living Plan completed by the youth with his or her county social worker or probation officer. Former foster youth aged 16 to 21, who were in placement at 16 or older, can call Butte County ILP for support in the areas of employment, housing, connecting with community resources and more. Involvement in ILP Aftercare is the ticket to ILP's START program. This program offers assistance with move-in costs and rent. Call ILP Aftercare at 893-2316 ext. 257 or 1-888-893-4011. \*Contact ILP to determine eligibility.
