

**SHASTA COUNTY
INDEPENDENT
LIVING PROGRAM**

**PROGRAM BULLETIN
June 2009**

THPP+: The governor recently proposed a budget that will not include THPP+ for our older youth, ages 18-24. Shasta County has therefore made the choice to not continue a contract until the budget is finalized and a decision is made as to whether THPP+ will survive the budget cuts. Our 8 youth who are participating in the program will work with their ILP Caseworkers to try and come up with a plan to maintain their housing. 3 of our youth are single parents, and 6 are college students so we want to continue to support them as much as possible. We hope the state will realize the importance of this program and decide to continue it.

Foster Youth Garden: The garden planting is complete. We hope to start selling at the Farmer's Market, in Anderson, by the end of the month. The Anderson Farmers Market is open on Thursdays at the Anderson Fairgrounds.

Our schedule for the garden for the month of June will be Tuesdays and Thursday from 9:30-11:30am. We hope to start selling at the market on June 25th; youth will be selected to help sell at the market based on their participation at the garden.

We would like to thank People of Progress for sharing some of the plants that they had donated to them with us.
